Jamboree Flash Update

01 August 2018 – Issue 11

- JAMBOREE DAY ELEVEN
 - Weather - High 78°F/25.5°C, Low 64°F/17.7°C, Rain Chance - 60%

 - JAMBOREE MEDICAL SERVICES: When it comes to your health we will have you covered from head to toe –whatever the problem, wherever it occurs, no matter what the time!
 - Strike your head during a fall while skateboarding.....the staff at The Park Medical have it covered....if they have additional concerns an escorted trip to the local hospital is arranged
 - Got something in your eye that is driving you crazy.... the folks at Ophthalmology in the Specialty Clinics will have you seeing clearly in no time
 - Chip a tooth horsing around at your campsite ... go directly to the Dental Service at the Specialty Clinics
 - Get pitched off a bike on the BMX course and your foot “looks crooked and really hurts” ... you will be evaluated at Low Gear Medical, transported to Jamboree Medical for x-rays, and maybe return to camp with a soft boot or cast (for everyone to sign!)
 - Your inhaler was lost and breathing is becoming more difficult. Go directly to the Base Camp Medical Clinic for timely assessment and treatment (a new inhaler)
 - There is an accident in a remote part of The Summit...regardless of the hour mobile EMT/Paramedic will respond and appropriate treatment will be provided either on site or at the local hospital
 - On the way to the Opening Show a contingent leader unexpectedly pitches forward striking his head on the road and is now lying motionless. Heart and cervical spine injury is suspected. On-site air medivac transport to the nearest trauma unit is initiated

- JAMBOREE MEDICAL: Comprehensive Medical Services * 24/7 * Anywhere at The Summit
