Jamboree Flash Update

Shooting Sports

- **The Bows** – You’ve never seen archery quite like this! The World Scout Jamboree will feature several different archery ranges.
 - **Static Range:** Learn how to shoot or work on improving your form under the watchful eyes of our expert coaches.
 - **Long-Distance Range:** Feel what it's like to shoot like they do in the Olympics.
 - **3D Range:** Shoot at 36 different shooting stations in the woods at foam wolves, deer, bear, and other wild animals.
 - **Sporting Arrows Range:** Test your reflexes by shooting flu-flu arrows at foam disks on the fly in the air.
 - **Crossbow Range:** A new, exciting activity that has been piloted at the Summit Bechtel Reserve for two years. Shoot 20-inch arrows from a crossbow at an archery target.
- **The Barrels - West** - The best sporting clay course in the United States! Sixty acres is plenty of room for increased safety and well over 50 stations.
 - **Shotgun:** Start with trap decks, 12 gauge with single straight-away clay pigeon, move up to five stand with multiple clay pigeons, or go to sporting clays, multi-station on a wooded trail with each station presenting a different challenge with multiple clay pigeons.
 - **Flash Ball / Chalkball:** Based on clay pigeon shooting using aerial targets, this offers a whole new experience with a paintball gun shooting clay powder balls.
 - **Chalkball:** Adjacent to powder ball, shooting at steel reactive targets.
- **The Barrels - East** - The most varied Rifle and Pistol events in Scouting!
 - **Rifle:** .22 rifle 50 ft. range graduating to .223 and .308 rifles (scoped) out to 120 yards at steel targets.
 - **Static Pistol:** Learn the basics or improve your skills target shooting using .22 caliber semi-automatic pistols.
 - **Steel Plate Range:** Move to the next level of pistol shooting. Test your skills and accuracy shooting more than a paper target. Enjoy plinking at the dueling tree or knock down steel plates!
